GREENBANK APPROVES PRIVATE PLACEMENT

Toronto, Ontario, April 25, 2016 – GreenBank Capital Inc (CSE: GBC and OTCMKTS: GRNBF) ("GreenBank or the Company") announces that the Company has agreed to a non-brokered private placement (the "Private Placement") in which Daniel Wettreich, CEO and a director of the Company, will invest \$78,000 by subscribing for 260,000 units (each a "Unit") of GreenBank at a price of \$0.30 per Unit. Each Unit consists of one common share in the capital of GreenBank and one common share purchase warrant. Each common share purchase warrant entitles the holder to acquire one additional common share in the capital of GreenBank at an exercise price of \$0.30 for 36 months after closing. The securities are subject to a hold period of four months and a day.

Upon closing of the Private Placement, GreenBank will have 14,502,460 issued and outstanding shares, and Daniel Wettreich directly and indirectly will beneficially own 10,633,026 common shares of GreenBank, representing 73.32% of GreenBank and 760,000 common share purchase warrants representing 52% of the outstanding warrants of GreenBank. In the event that all the warrants were exercised by Daniel Wettreich he would directly and indirectly beneficially own 11,393,026 common shares of GreenBank representing 74.74% of the increased share capital.

The proceeds of the Private Placement will be used for working capital purposes to make payments to GreenBank's creditors. Neither GreenBank nor Daniel Wettreich have any knowledge of any material information concerning the Company or its securities that have not been generally disclosed. The process of approving the private placement involved the appointment of a special committee, the approval of the transaction by the special committee, the consideration of the transaction by the directors with Daniel Wettreich disclosing his interest, and the unanimous approval of the transaction by the directors. The special committee was comprised of one director who is independent within the meaning of MI 61-101. There are three directors who are independent within the meaning of MI 61-101.

The participation by Daniel Wettreich in the Private Placement is considered to be a related party transaction as defined in Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("MI 61-101"). A special committee consisting of an independent director established by the board of directors determined the related party transaction is fair and reasonable in the

circumstances to the Company. The Company has relied on sections 5.5(b) and (c) of MI 61-101 for an exemption from the formal valuation requirement, and section 5.7(b) of MI 61-101 for an exemption from the minority shareholder approval requirements. A material change report in respect of the related party transaction will not be filed at least 21 days in advance of the closing of the Private Placement due to the Company's immediate need to address its financial situation, which omission is both reasonable and fair in the circumstances. MI 61-101 requires if a material change report is filed less than 21 days before the expected date of the closing of the transaction, an explanation is to be provided as to why the shorter period is reasonable or necessary in the circumstances.

About GreenBank

GreenBank is a Canadian public company (trading symbols CSE:GBC and OTCMKTS:GRNBF). Its 80% subsidiary GreenCoinX Inc. has developed the world's first cryptocurrency requiring user identification. GreenCoinX meets the same "Know Your Customer" identification standards as the banking community, and makes the promise of cryptocurrency a reality by alleviating concerns that crooks and terrorists can use cryptocurrency to hide their activities. GreenBank's 100% subsidiary GreenBank Financial Inc. is an investment bank.
